

California Women for Agriculture-North Valley Chapter Junior Livestock Loan Program

The Junior Livestock Loan Program was adopted in 2004 by the North Valley CWA, (California Women for Agriculture) chapter. Its purpose is to make it easier for students to purchase an animal to sell at the fair and to learn budgeting and responsibility. All of us in the CWA chapter feel that raising and selling an animal through either 4-H or FFA is an invaluable opportunity to learn responsibility and gain business knowledge.
